About Dashwood Studios - Collegiate UK Student Accommodation London

Welcome to Dashwood Studios, where student living reaches new heights in the heart of South London. At Dashwood Studios, we understand that your university experience is about more than just academics—it's about finding a place that feels like home while offering the vibrant lifestyle London is famous for.

Located just a five-minute walk from Elephant and Castle Underground station, our studios provide unparalleled access to London's main universities and the city's iconic landmarks. Choose from a range of spacious, modern studio apartments that are fully equipped with everything you need to kickstart your university journey. From comfortable living spaces to ample storage and sleek kitchen facilities, Dashwood Studios offers the perfect environment to live, study, and relax.

What sets us apart is our commitment to creating a true student community. Our exceptional social areas, including modern games rooms, cinema rooms, and two stunning roof terraces with breathtaking views of the city, provide the perfect backdrop for making lifelong connections. Every floor features dedicated study rooms, ensuring you have the quiet space you need to focus on your studies.

Our vision is to provide not just accommodation, but a thriving student neighborhood where you can grow academically and socially. With 24/7 security and a dedicated on-site team, we ensure that your safety and comfort are always our top priorities.

Discover a student living experience like no other at Dashwood Studios—where the best of London is right at your doorstep, and a vibrant community awaits you.
